What Did I Miss?

On April 3rd our program was Marty Wilhelm and his guest was Steve Bibb. We heard about the criminal system in McMinn County

On April 10th the Athens Kiwanis attended a religious service at Trinity Church and then come back for lunch

On April 17th the Athens Kiwanis program was Barry Willis and his guest was Bill Emendorfer. He talked about College Athletics over the past 40 years.

On April 24th the Athens Kiwanis program was Murray Willis and his guest talked about investing in a bear market and what you should do to protect yourself.

Well the year is rolling right along, and things are really starting to pick up here in Athens. The living heritage museum guild had another successful trash and treasure sale, and if you missed it then you might have been surprised. At the premiere night they were 15 Kiwanis members present to show there support and our very own Marty Wilhelm's wife Linda was the chairwoman for the event. The nominating Committee has also returned the names of the new officers and board members. Our newest member to go through the chairs will be Wayne Scarbrough. They are also 5 new board members coming on. They will be Lee Montgomery, Craig Inman, James McKeehan, Stewart Smith, and Brad Harris. Next week the Athens Kiwanis will have 2 events that they will be working on. On Wen. the Athens Kiwanis will be looking for volunteers to help with the Reality Check at the Junior High. This event helps students see what it is like to be out in the real world. If you would like to volunteer please see Lou Pascarella. On Wen we will also have our annual golf tournament. This year our Chairman Lee and Craig have put in a lot of time and effort, so let's show them our support. We are also starting to collect items for our tag sale, which will be held on May 30th. If you have something you would like to donate please let us know. On That same morning we will also have our pancake breakfast, and we will need all hands on deck to help this year. On top of that the Athens Kiwanis will also have a booth at MooFest this year, which will need to be manned. Speaking of which, don't forget Moo Fest is the same day, and many of our members are highly involved in this project, so stop by and show them your support. On top of all this Chris Adams and the youth service committee has the job of going to all the schools and presenting the awards to students. So as you can see we have a busy month ahead of us.

Joke of the Month

The Judge admonished the witness, "Do you understand that you have sworn to tell the truth?"

"I do."

"Do you understand what will happen if you are not truthful?"
