What Did I Miss?

On May 1st our Program was Bridget Willhite and we heard from the Athens City Police Department

On May 8th our Program was Tommy Wilson and we heard from Alan Gentry about CSCC Energy Efficiency Program

On May 15th our program was Trey Winder and we heard from Frances McMahan about Court Appointed Special Advocates

On May 22nd our Program was Shirley Woodcock and we heard about the new biofuels

On May 29th our Program was John Workman and we heard about the new Breast Cancer Center at Athens Regional Medical Center.

So as a Kiwanis Member what did you do this month? For many of us this may be a simple question. If you were Lee, Craig, or Pam you might say you worked the golf tournament on a cool cloudy Wed. morning. If you were Stephanie Linkous, Guy Baker, Lou Pascarella, Wayne Scarbrough, Eric Newberry or Jerri Bryant. You might say that you spent time working with junior high school students at the reality check. This group of individuals spent their time showing students what it would be like when they graduated. If you spent time with the interclub, you went to Sweetwater and got to meet with the new Kiwanis International President Elect. This month you might have also worked along side Sharon Brown, Stephanie Linkous or Eric Newberry for United Way Day of Caring. Sadly many of our members did not feel the need to help with this event. You might have also volunteered to help the Youth Services Committee deliver awards to the local schools. Maybe you spent your time with Blake, Sharon and Dr. Forgety at MooFest giving Athens a fun event to kick off the summer. Last but not least was pancake breakfast, you may have seen Jerri Bryant climbing on a table to fix a sign, or if you worked the Sausage cook shift you may have seen Dereck nearly burn his eyebrows off, Maybe you waited and worked the Pancake line, if you did then you probably saw Burkett flipping flapjacks. So you did not get a chance to work any of these events? That is a shame. So what is the point of this article? This is not intended as a guilt trip; instead it is only to show you what you may have missed. You never get the chance to know people by attending a meeting and sitting in the same spot. So Kiwanis members get up, get out and get active, you might be surprised what you find out about your fellow Kiwanis members.
