What Did I Miss?

We have had an eventful month in October. On Oct 3rd we held our annual guest luncheon. The new officers were installed and Ralph Baldwin Received the Distinguished Service Award. Oct Oct 10th Our Program was Lisa Parsons, who talked and showed a slide presentation about being a doctor of the foot and what you should do to take care of your feet. On Oct 17th our Program Chair was Lou Pascarella who brought his wife Marty who informed the Kiwanis on what you should be doing to have a healthy heart. On Oct 24th the Program Chair was Pam Perdue and she brought Ryan Triplet, Ryan won the Gold in the Tennessee Special Olympics and took home the Bronze at the nationals in golf, Watch out Tiger Woods. On Oct 31st Charles Pesce was the program chair and we heard from his guest speaker who talked about new education in Tennessee. Although we had some great programs we also had some sad times. Charlie Bellows and Tom Mayfield passed away this month. Everyone who knew them knows that these two members will be truly missed.

So what's going On Now?

During the month of October the Community Service donated money to the McMinn Area Cancer relief fund. We were also in the local paper on two different occasions. The Public Relations is teaming up with Community Service and Circle K to start a Discount card program, the

idea was the Brain Child of Cheryl Bressler, with Blake McCaslin working hard with

His Circle K students to get the Cards ready for the up coming holiday season. The money raised from the cards will go to help the McMinn County United Way and the Stuff the bus Program. We also had numerous members who received perfect attendance during this month. As most of you may know the month ended with a Halloween party at Athens Regional Park. Guy Baker and his volunteers set up games and handed out candy at the park. Hats off to Guy Baker, the Halloween committee, and the volunteers who helped make Halloween a little safer for kids to get candy. Here our President helps man one of the games and hands candy to a little devil
